

Dear Friends,

I have been involved with **Houses Opening Today Toronto (HOTT)** for 10 years as a staff member and now, as a volunteer.

HOTT is an alternative, non-profit housing provider which seeks to provide quality, affordable housing to individuals with low income and to provide support to tenants to ensure that they remain housed. HOTT is seeking to raise \$75,000 towards the building of a new 8-unit complex in a mixed residential neighbourhood in east-end Toronto. This project will provide housing to 8 households, including up to 24 adults and children who are currently homeless, or at risk of becoming homeless in Toronto.

On April 24th, 2008, in conjunction with its 20th anniversary, HOTT and the Shamba Foundation will present ***House Party 1988 - a night of pure 80's pop in support of non-profit housing.*** The evening will feature music, dancers, silent and photography auctions, 80's trivia and much more! If you are interested in supporting this event by purchasing a ticket or donating a prize to the silent auction, please email info@hott.ca or those of you who know me can speak to me directly.

Any donations to the building fund would be gratefully accepted and appreciated. **All donations of \$35 or more will receive a charitable tax receipt through our partnership with the Phoenix Community Works Foundation.**
