Keep on beginning, and failing. Each time you fail, start over again, and you will grow stronger, until you have accomplished a purpose -- Not the one you began with perhaps, but one you will be glad to remember.

Celebrating Epiphany

Happy New Year! Today the church celebrates the new year with the Feast of the Epiphany, which is celebrated on the Sunday closest to January 6. Epiphany means a sudden revelation, a bright, shining radiance. You may have seen cartoons where a character suddenly gets a bright idea, and a light bulb appears over their head. That's an epiphany! For

us in the Christian tradition, Epiphany is the revelation of the Christ-child to the gentiles, as represented by the Magi, the sages who followed the star of Bethlehem to find the infant Jesus. Epiphany is symbolized by dazzling light, as in the light of the star that the Magi followed. When that baby grew up and began to teach the people, one of the things he said was, "YOU are the light of the world!" May the world, and our communities, and our families know this light through our reflection of it.
